Magyar Telekom Nyrt.

Teljes munkaidő- határozatlan idejű

What we are looking for

Are you a proactive and detail-oriented individual with a passion for strategic sourcing in the ICT sector? Do you thrive in a dynamic, international environment and enjoy building strong relationships with suppliers and internal stakeholders? If so, we have an exciting opportunity for you to join our growing team!

We are currently seeking a Global B2B Coordinator to become a valuable new member of our strategic sourcing team. In this role, you will have comprehensive coordination tasks. You will be instrumental in bridging the gap between local needs and global sourcing strategies within the B2B area of Deutsche Telekom in Europe.

You are the ideal candidate, if...

- You have university degree with 6-10 years of professional experience in ICT sourcing, or vocational training with several years of professional experience in the field of ICT sourcing.
- Proven experience in a B2B environment, preferably within a global or international context, and a solid understanding of the European market.
- Strong understanding of ICT products, services, and market dynamics.
- Excellent negotiation and communication skills, both written and verbal.
- Proficiency in English; additional European languages are a strong plus.

- Exceptional organizational skills and attention to detail. Ability to work independently and as part of a collaborative team.
- Proficiency in Microsoft Office Suite (Excel, PowerPoint, Word) and experience with procurement software is an advantage.

- Market Research: Conducting research to identify new suppliers, innovative technologies, and best practices in ICT sourcing.
- Issue Resolution: Addressing and resolving any issues or discrepancies that may arise with suppliers or internal stakeholders.

What we offer for you

- You can spend your cafeteria framework on from a given palette of benefits
- You can make Telekom services available to yourself and your family members with our telecommunications discount.
- High-value, comprehensive TritonLife healthcare service package, which includes outpatient and ambulatory care, minor and major diagnostic examinations, day-case surgery options, prevention and screening packages, as well as online and phone medical consultation opportunities.
- We provide you with a company laptop and a top-tier mobile phone.
- Discounted employee and family subscription packages will be available to you.
- You receive a minimum of 25 days of basic annual leave (based on age).
- We provide 15 days of additional leave with 100% pay if you become a father.
- Within the framework of our Employee Assistance Program, we help you if you are in trouble.
- Reimbursement of travel expenses related to commuting and weekend travel home.
- You will receive a reward for successfully recommending a new colleague. Within the framework of our workplace integration program, we provide mentor support at the beginning.
- We provide you with employee life insurance, health offers, and screening programs.
- You can enhance your fitness in our gym and on our rooftop running track
