

Senior Technical Product Manager for Transport Network Solutions

Jelentkezési határidő: 2026-06-30

Budapest

Magyar Telekom Nyrt.

Teljes munkaidő- határozatlan idejű

Must-Have Skills

- Comprehensive understanding of network architectures, especially in an NT environment
- Strong expertise in Transport Network architecture, concepts and technologies
- Proven experience in developing and managing product roadmaps
- Excellent skills in managing and aligning diverse stakeholders
- Solid knowledge of IP-, Optical- and Wireless Transport Networks
- Proficient in Agile Methodologies (e.g., Scrum, Kanban)
- Experience in group work and moderation skills
- Solid understanding of Technical Product Lifecycle Management
- Strong product thinking and customer-centric approach

Nice-to-have skills

- Experience with common product management tools (e.g., Jira, Confluence)
- Experienced in leveraging AI-based tools in day-to-day work
- Basic understanding of Automation and CICD principles
- Basic understanding of cloud networking principles or virtualization technologies
- Additional language skills relevant for international projects

What You'll do

- As a Technical Product Manager, you will significantly shape the future of our advanced network solutions. You will take ownership of defining and driving the product roadmap and the entire product lifecycle. Your comprehensive understanding of network architectures in the NT environment, and expertise in Transport Networks (IP, Optical, Wireless) will be crucial.
- Key to this role is your ability to effectively manage diverse stakeholders, translate complex technical requirements into concrete product features, and provide functional leadership in complex international projects.
- By engaging agile methodologies, you will ensure efficient product development and delivery. Bring your strong product thinking to drive innovative solutions and actively contribute to shaping the telecommunications landscape.

occasional travel within the Deutsche Telekom EU organisation.

Benefits and training opportunities

- Flexible working hours with partial home office options.
- Comprehensive benefits package (laptop, mobile phone, cafeteria, insurance).
- Employee discount rates on Telekom services.
- Modern, multinational working environment with amenities like a sky bar and rooftop gym.
- Access to our Employee Assistance Program.
- Comprehensive Healthcare Package
- You will receive a minimum of 25 days of basic vacation per year (based on age)
- We offer 15 days of additional vacation if you become a father, with 100% pay
- You'll have access to thousands of professional and skills development materials from our extensive digital training palette
- We offer regular internal training sessions and workshops
- You can learn English and German, even with a native speaker
- You'll have access to Percipio and Coursera courses
